

PROFESSIONAL SUMMARY

Hello, my name is Christian Nebo. I am a self-taught front-end developer. I primarily focus on writing clean, elegant, and efficient code. I am proficient in HTML, CSS, JavaScript, and React. I am very good at critical thinking and finding out ways solve problems, I am also good at making really good pixel-perfect design from Figma files. I try to keep up with security and best practices and am always looking for new things to learn.
